

A large three-masted sailing ship, likely a USPS tall ship, is shown sailing on the ocean. The ship has white sails and a prominent American flag flying from the top of the mainmast. The hull is dark with a yellow and red striped pattern. The ship is moving through the water, creating a wake. In the background, a smaller white motorboat is visible.

What is USPS?

Organized in 1914, USPS is a non-profit, educational organization dedicated to making boating safer and more enjoyable by teaching classes in seamanship, navigation and related subjects.

Our members are boating families who contribute to their communities by promoting safe boating through education.

We enjoy participating with our fellow members on the water and in the classroom. USPS has some 40,000 members organized into 430 squadrons across the country and in some US territories.

USPS is America's largest non-profit boating organization and has been honored by four US presidents for its civic contributions.

What is the Mission of USPS?

How can we cooperate?

Through the USPS
SERAT program, a
group of highly trained
volunteers provide
safety patrols for on-
water events, non-
emergency patrols and
on-the-water emergency
assistance.
